

Internal Quality Assurance Cell (IQAC)
Gharda Institute of Technology

Report on Professional Development of Faculty (2020-21)

Internal Quality Assurance Cell (IQAC) insures the quality culture and enhancement in gradual development of institute's stake holders i.e. faculty and students through encouragement for continuous improvement. An individual's knowledge of a subject; in light of recent advances in the area, his/her skills, attitudes and approaches in light of the development of new techniques, objectives, circumstances and new educational and/or project based research need to be furnished and/or polished by providing the training.

Accordingly, the faculty of the institute has updated their knowledge by undertaking various development programmes. **54** staff members have participated in different kinds of developmental programmes in the academic year 2020-21. The details of the same are as follows:

Sr. No.	Type of Development Programme	Number of Faculty participated
1	Faculty Development Programme	46
2	-Orientation Programme	27
3	Short Term Training Programme	40
4	Webinar/Conference/Symposium	21
5	Workshop	16
6	Massive Open Online Courses (MOOCs)	23
7	Internship Programme	6
	Total Number of Programmes Attended	179

Along with above mentioned programmes; the institute organized various Expert Talks and other training programmes at department level for teaching, non-teaching and supporting staff. IQAC also plans certain activities to be implemented in next year under the skill development for all the faculty members.
