Dear Sir,

I knew the urgency of the subject and hence the situation was informed to you before 2 days on email and Whatsapp. I was expecting your guidance in this regard then itself which is received today. This is specifically important when you are expecting clock time based submission.

Parallely, I'm already trying to get the work, assigned to Mr. Kogade, done by the rest of the team members.

I'm sending the work done by remaining the remaining team shortly.
