Criteria II

2.2.1 The institutions assesses the learning level so the students and organizes special Programmes for advanced learners and slow learners

2.2.1 The institutions assesses the learning level so the students and organizes special Programmes for advanced learners and slow learners

Performance of advanced and slow learners is monitored to assess the improvement and progress in their academic performance. At entry level, advanced and slow learners are identified from performance in diagnostic test, 12th (PCM) score, performance and punctuality during lectures/practical and observations of course coordinators in first semester.
