Respected Sir / Madam

As discussed in the Mentorship Committee meeting (mentioned in the minutes of meeting attached) held on 19th July 2019, from each department you have to give the name of three (3) faculty and six (6) TE students of your department for the mentoring of FE students. The last date on which all are agreed in the meeting was 22nd July 2019. But till date you have not submitted the same.

Please consider it as very urgent as we are restricted to allot Mentors at the first day of their joining.

Along with send me the chart of allotment of mentors of all students of your department (name of mentor along with name of assigned mentee) of all faculty and student of your department except DSE students.

(Please ignore if you have submitted both and if either one is left, give it first priority)

Thank you

With Regards
Asma Tambe
