

ALUMNI FEEDBACK ANALYSIS REPORT 2017-18

In every academic year we are taking feedback from our alumni. The feedback form shared with students either personally or by online mode. The feedback of alumni is important which shows what kind of improvements we need to do in teaching learning process, facilities, sports, etc. This feedback is important for the improvement or betterment of institute. The following suggestion were given by the during academic year 2017-18.

Suggestion:

1. Need to arrange more industrial visits.
2. Training and placement should be enhanced.

Action Taken:

1. Industrial visits are already arranged for each class in every year.
2. Trying to improve our placement record. Arranging different programs like Aptitude test, Mock interview, guest lecture, etc. This will help students for placement.
