Minute of the Meeting

3rd Meeting of Internal Quality Assurance Cell (IQAC) has been conducted on 26 March 2024. The following are the minutes of the meeting:

1. The minutes of the previous meeting (17 Jan 2024) have been read and confirmed.
2. The list of important/demanding NPTEL courses (dept wise) shall be prepared by respective HODs and those courses shall be promoted into the students for better certification in view of NEP for earning the credits.
3. Academic Monitoring: It will be conducted on bimonthly by the committee of three officials i.e. Dean (Academics), Dean (R&D) and IQAC Coordinator. The monthly reports will be submitted to the Principal within first week of every month during academics.
4. It is suggested to place a box in each classroom for students' academic doubts occurred during everyday lectures. Students/Class Representative will collect all the doubts and shall put in the box. Every evening it will be opened by respective HODs and suggestions will be notified to respective teacher. Immediate action shall be taken by teacher and reported to HOD.
5. Continuous Assessment for laboratory course should be rubric based, transparency and students acknowledgement to be maintained. Students should know the marks given to their lab performance and other internal assessment credentials.
6. Every subject teacher should prepare the rubrics for their respective term work credentials. Students should be well aware of these activity wise rubrics. CO and PO Attainment Calculations (IA only) of current semester will be prepared by all teachers and will be monitored by HOD and Monitoring committee.
7. Different levels of rubrics should be used as per the year of students (i.e. level 4.5 for FE, 5 for SE, 5.5 for TE and 6 for Final year students) reference of UGC Exam Reforms can be taken for the same.
8. Dean R&D should prepare the list of the areas (in campus and out of campus) to visit by different students for experiential learning purposes and to update the Problem Bank on continuous basis. Accordingly plan to be prepared at department level; the review of the same will be conducted in next meeting.

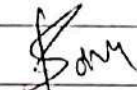

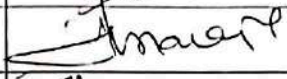

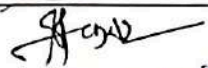

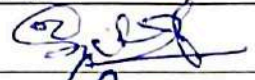

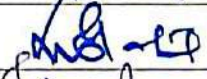

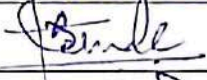

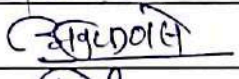

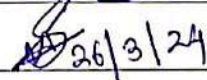

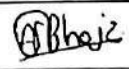

9. GFT specific parameters (Annexure 1) are to be added in PBAS form and to be linked with CAS, and should be circulated to all staff, CAS process for AY 2022-23 and AY 2023-24 will be initiated in June 2024. CAS processes should be completed within three months from the date of an announcement.
10. CAS process to be implemented for the teachers appointed at institute level with the same parameters. The experience in GFT only will be considered for the same.
11. Fundamental concepts in each course to be prepared by the respective teacher, to be compiled by HOD in booklet formats to be shared to students for the improvement in students' technical knowledge as per placement point of view.
12. For improvement in placement; department level meeting with students, HOD, staff and TPO should be arranged and to discuss necessary points accordingly. Plan to be prepared by TPO.
13. In Library following things to be availed for students' usage: Old Exam Question Papers with Model Answers (course wise).
14. It is requested by Prof. K. M. Gajmal that the activity for Center of Excellence shall be initiated on "Augmented Reality" in Computer Engineering Department.
15. Sustainable Development Center (Shaswat) shall be established at Civil Department to organize and conduct various activities.

The meeting is concluded with the vote of thanks expressed by the IQAC Coordinator.

Chairman, IQAC
4/4/24
