## ***G. MOST INNOVATIVE EVENT:***

A new concept was introduced in SHODH 2016, Most Innovative Event, in which each department has to nominate any one event for this competition. This competition improved overall polish of SHODH 2016 and also included new events in each department. A trophy is given to the winning department.

Following are details of nominated event from each department:

1. Civil	<b>Estate War</b>
2. Chemical	<b>Tormented Process</b>
3. Mechanical	<b>Contraption</b>
4. Electronics & Telecommunication	<b>PCB Design</b>
5. Information Technology	<b>Let Me Take a Selfie!</b>
6. Computer	<b>Jugad Technology</b>

The new introduced Trophy is owned by Department of Civil Engineering for the event **“ESTATE WAR.”**

## ***H. VALEDICTORY FUNCTION:***

Valedictory was on second day of event, i.e. 20<sup>th</sup> of March 2016. Our chief guest was Dr. Shantanu Chakraborty, Head Technologist, TATA Steel. All the GIT students, Participants from throughout event, Winners & Runners of various events, all teaching & non-teaching staff of GIT were present in the program. Honorable Guest Dr. Shantanu Chakraborty, Managing Trustee Dr. M.G. Gokhale, Principal Dr. S.G. Gharat distributed prizes to the winners.

Also the prizes are given to the most participating institute.

## ***I. FEEDBACK MEETING:***

A meeting held on 28<sup>th</sup> of March 2016 among Principal Dr. S.G. Gharat, Registrar Mr. A.N. Thakur, SHODH 2016 Convener Prof. G.D. Parulekar, Prof. S.D. Ayare, Prof. Satpute, Prof. S.S. Patil along with all faculty coordinators and student coordinators from all departments. Everyone shares their views, feelings on SHODH 2016. **It was observed that “SHODH 2016” was a bench mark and a grand success.**

At the end of the meeting the following points are decided to be carry out for SHODH 2017.

1. To prepone the dates of SHODH as end of March is exam period for DTE colleges.
2. No other program should be conducted during SHODH so that volunteers can concentrate on SHODH.
3. Prizes should be declared earlier, mostly at the time of campaigning.
4. There should be one separate committee for documentation work.

5. Sponsorship committee should be formed at least two months prior the event so as to reach maximum sponsors.
6. SHODH event should be arranged for at least 3 days.

***J. RECOMMENDATIONS:***

1. The committee formation must be done in month of August-September so that preparation can be started as early as possible.
2. Sponsorship committee should start working in month of January, because in month of February-March most of the companies have their audit.
3. I suggest to assign **two conveners** so they can distribute the work load and can complete the work in minimum time period.
4. Also continue to involve the maximum student in the event so that they can improve their management skill.

***K. HIGHLIGHTS OF SHODH 2016:***

1. Introduction of **MOST INNOVATIVE EVENT AWARD** rotating Trophy.
2. Use of blog (shodh2016.blogspot.com) for campaigning and advertisement.

3. Introduction of the **MOST PARTICIPATING INSTITUTE AWARD**.
4. Inauguration was reinvented as e-inauguration.
5. Total 10 new events were added.
6. We tried to make GIT SHODH a known Brand through Registration kit, Momento.

***L. CONCLUSION:***

Overall program was conducted without any problem.

CHEMICAL department will conduct next year's SHODH 2017.
